## **C8. METERING CUSTOMER EQUIPMENT AND BILLING**

### **C8.1 General provisions.**

The customer shall furnish and maintain all piping and equipment beyond the point of service termination at his own expense, except as expressly provided under Rule C4.3, "Centrally metered installations".

### **C8.2 Adequacy and safety of installation.**

The Company shall not be required to supply gas service until the customer's installation shall have been approved by the authorities having jurisdiction over the same; and the Company further reserves the right to withhold its service, or discontinue service, whenever such installation or part thereof is deemed by the Company to be unsafe, inadequate or unsuitable for receiving the Company's service.

### **C8.3 Repairs - leakage of gas.**

All repairs to the customer's piping and equipment shall be made by the customer, and he shall maintain the piping and equipment in the condition required by the authorities having jurisdiction and by the Company. The customer shall give immediate notice to the Company of the indication of any gas leakage.

### **C8.4 Back pressure and suction.**

When the nature of the customer's utilization equipment is such that it may induce back-pressure or suction in the piping system carrying the Company's gas, suitable protective devices, subject to inspection and approval by the Company, shall be furnished, installed and maintained by the customer to protect the customer and the Company's facilities therefrom.
